Features and specifications are subject to change at any time without notice. Visit askona.com/specs for the most up-to-date information.

IMPORTANT NOTE: Throughout this guide, dimensions may vary by ± 1/8" (3). Dimensions in parentheses are millimeters unless otherwise specified.
Ask Dishwashers

At Asko, we design and manufacture premium quality dishwashers with a special Scandinavian touch for design and function. Panel ready models accept a custom panel and handle. Tubular and pro handle models match Sub-Zero and Wolf products. Our products meet the highest demands in performance and durability, as well as environmental awareness.

Overall Dimensions

INTEGRATED HANDLE

Non-XXL Model 32 1/4" (832) – 34 3/4" (883)
XXL Model 34" (864) – 35 3/4" (908)

*Can be reduced to 32 1/4" (819) by removing top trim and lowering side trim.

TUBULAR/PRO HANDLE

Non-XXL Model 32 1/4" (832) – 34 3/4" (883)
XXL Model 34" (864) – 35 3/4" (908)

*Can be reduced to 32 1/4" (819) by removing top trim and lowering side trim.

*Dimension will vary with product height.
**Overall Dimensions**

**PANEL READY**

- **Height (H)**
  - Non-XXL Model: 32 3/4" (832) – 34 3/4" (883)
  - XXL Model: 34" (864) – 35 3/4" (908)

**OUTDOOR**

- **Height (H)**
  - Outdoor Model: 34 11/16" (881) – 35 11/16" (907)

*Can be reduced to 32 3/4" (819).

**IMPORTANT NOTE:** Overall dimensions for panel ready models do not include panels or handles. Dimensions will vary with panel thickness.

*Dimension will vary with product height.*
Opening Dimensions

**ASKO DISHWASHERS**

**NOTE:** 3 1/2" (89) finished returns will be visible and should be finished to match cabinetry.

**IMPORTANT NOTE:** All indoor models can accommodate varying opening widths, however, 24" (610) and 23 5/8" (60 cm) are the two most common. A 23 5/8" (60 cm) opening will provide minimum reveals.

**IMPORTANT NOTE:** Panel ready models installed with a stainless steel accessory panel require a 24" (610) opening width.

<table>
<thead>
<tr>
<th>OPENING</th>
<th>W</th>
<th>H</th>
<th>D</th>
</tr>
</thead>
<tbody>
<tr>
<td>Indoor Model</td>
<td>23 5/8&quot; (600)</td>
<td>34 1/2&quot; (876)</td>
<td>24&quot; (610)</td>
</tr>
<tr>
<td>Outdoor Model</td>
<td>24 7/8&quot; (632)</td>
<td>35 1/2&quot; (902)</td>
<td>25 1/4&quot; (641)</td>
</tr>
</tbody>
</table>

A minimum 3 1/2" (89) finished return is required on all sides of the opening. Framed cabinets will require additional finished filler material behind the face frame for a proper installation. Refer to the illustration.

Indoor models include top and side trim to accommodate varying opening dimensions. The top and side trim can be removed to achieve minimum reveals.

For ADA installations and height restricted openings, all indoor, non-XXL models can be installed in a 32 1/4" (819) opening by removing the top trim and lowering the side trim.

For openings exceeding 34 1/2" (876) in height, the door panel can extend above the top of the door, however, the door panel could affect control panel interaction. A filler above the unit is also required. Refer to the illustration below.
Electrical

The electrical supply should be located in an adjacent cabinet. If the supply cannot be located in an adjacent cabinet, it must be located within the shaded area shown in the illustration below. A separate circuit, servicing only this appliance is required.

**IMPORTANT NOTE:** For the outdoor model, a ground fault circuit interrupter (GFCI) is required to reduce the risk of electrical shock. A GFCI is not recommended for use with other models and may cause interruption of operation.

Installation must comply with all applicable electrical codes.

---

Plumbing

The water supply and drain should be located in an adjacent cabinet. If they cannot be located in an adjacent cabinet, they must be located within the shaded area shown in the illustration below. The water supply line should be connected to a hot or cold house supply with an easily accessible shut-off valve between the supply and the unit.

Installation must comply with all applicable plumbing codes.

Custom Panel

PANEL READY

IMPORTANT NOTE: The size of the custom door panel is directly related to the size of the opening.

The two most common dishwasher opening widths are 24" (610) and 23 5/8" (60 cm). For all other widths, the panel should be 1/4" (6) less than the opening to achieve minimum reveals. The minimum panel width is 23 3/8" (594).

The most common dishwasher opening height is 34 1/2" (876). The panel dimensions in the chart below are based on a 34 1/2" (876) opening, with a 4" (102) toe kick and 3/8" (10) top reveal. For all other opening and toe kick heights, the panel must be adjusted accordingly. The minimum panel height is 28" (711). The minimum toe kick height is 4" (102).

Finish all sides of the custom panel. They may be visible when the door is open.

<table>

</tr>
</tbody>
</table>

PANEL REQUIREMENTS

Max Weight (including handle) 20 lb (9 kg)
Min Thickness 3/4" (19)

ADA CUSTOM PANEL HEIGHT

IMPORTANT NOTE: XXL models are not compatible with ADA installations.

The American with Disabilities Act limits the countertop height to 34" (864). Differing countertop thickness will affect the overall panel height.

Typical panel dimensions are based on a 32 1/2" (826) opening height with a 4" (102) toe kick and 3/8" (10) top reveal. The panel height cannot be less than 28" (711). Refer to the chart below for typical panel dimensions.

Electrical

A separate electrical service is not required for the washer. The receptacle for the washer is located on the back of the dryer.

If the washer is being installed separate from the dryer, refer to the electrical requirements below. The electrical location must be placed within reach of the power cord.

Installation must comply with all applicable electrical codes.

Askos Residential Limited Warranty

RESIDENTIAL APPLIANCES

ASKO Distribution North America, LLC. (“ASKO”) warrants to the original purchaser (the “ASKO Customer”) of the ASKO product (the “ASKO Product”), who purchased the ASKO Product from a distributor, dealer, manufacturer’s representative or other seller who has been authorized by ASKO, that this ASKO Product is free of defects in materials and/or workmanship, subject to the terms and conditions set forth herein. This Limited Warranty covers parts and labor, except as set forth in this Limited Warranty. Service must be provided by an authorized ASKO service company. YOUR SOLE AND EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY SHALL BE PRODUCT REPAIR AS PROVIDED HEREIN. This Limited Warranty is valid only when the ASKO Product is used in the country in which it was purchased. Proof of original purchase date is required to obtain service under this Limited Warranty.

Residential ASKO Products Used Exclusively for Household/Personal Purposes:

Two (2) Years Limited Warranty—Any warranty service claims for ASKO Products must be filed with ASKO within two (2) years from date of purchase. Service will be provided during normal business hours.

Residential ASKO Products Not Used Exclusively for Household/Personal Purposes or used Commercially or used in Marine, Mobile or Aeronautical Applications:

One (1) Year Limited Warranty—Any warranty service claims for ASKO Products not used exclusively for household and personal use, or used commercially or used in marine, mobile, or aeronautical applications must be filed with ASKO within one (1) year from date of purchase. Service will be provided during normal business hours.

ITEMS EXCLUDED FROM WARRANTY

This Limited Warranty does not cover:

1) Replacement parts or repair labor if the ASKO Product is used in a manner that is inconsistent with published user or operator instructions and/or installation instructions.
2) Service calls to correct the installation of the ASKO Product, to instruct you on how to use the ASKO Product, to replace or repair house fuses, or to correct house wiring or plumbing.
3) Consumable items and parts, such as filters.
4) Damage resulting from accident, alteration, misuse, abuse, negligence, fire, flood, acts of God, improper use, improper installation, installation not in accordance with electrical or plumbing codes, or use of products not approved by ASKO, as well as any attempted repair by other than authorized ASKO service companies.
5) Cosmetic damage, including scratches, dents, chips or other damage to the finish of the ASKO Product, unless such damage results from defects in materials or workmanship and is reported to ASKO within 5 days from date of purchase.
6) Pickup and delivery. The ASKO Product is intended to be repaired in your home.
7) Repairs to parts or systems resulting from unauthorized modifications made to the ASKO Product.
8) Expenses for travel and transportation for product service if the ASKO Product is located in a remote area where service by an authorized ASKO service company is not available.
9) The removal and reinstallation of the ASKO Product if it is installed in an inaccessible location or is not installed in accordance with ASKO’s published installation instructions.
10) Replacement parts or repair labor on ASKO Products with original model/serial numbers that have been removed, altered or cannot be easily determined.

DISCLAIMER

YOUR SOLE AND EXCLUSIVE REMEDY UNDER THIS LIMITED WARRANTY SHALL BE PRODUCT REPAIR AS PROVIDED HEREIN. EXPRESSLY DISCLAIMED ARE ALL OTHER EXPRESS AND IMPLIED WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. Some jurisdictions do not allow exclusion or limitations regarding warranty rights. This Limited Warranty gives you specific legal rights and you may have other rights that vary from jurisdiction to jurisdiction. Attempted repair by any person other than an authorized ASKO service company will void this Limited Warranty.

LIMITATION OF LIABILITY

IN NO EVENT SHALL ASKO OR THE MANUFACTURER AND THEIR RESPECTIVE PARENTS, SUBSIDIARIES AND AFFILIATES BE LIABLE FOR CONSEQUENTIAL, INCIDENTAL, EXEMPLARY, PUNITIVE OR SPECIAL DAMAGES. IN NO EVENT SHALL ASKO OR THE MANUFACTURER AND THEIR RESPECTIVE PARENTS, SUBSIDIARIES AND AFFILIATES BE LIABLE FOR DAMAGES OTHER THAN ACTUAL DAMAGES AND IN NO EVENT FOR DAMAGES IN EXCESS OF THE PRICE PAID FOR THE ASKO PRODUCT AS TO WHICH A CLAIM IS MADE. Some jurisdictions do not allow the exclusion or limitation of incidental, consequential or other damages, so these limitations and exclusions may not apply to you. This Limited Warranty gives you specific legal rights. You also may have other rights that vary from jurisdiction to jurisdiction.

TROUBLESHOOTING AND ASKO CUSTOMER CARE

If you think you need repair service, first see the “Troubleshooting” section of the Use & Care Guide. If you are unable to resolve the problem after checking “Troubleshooting,” then additional help can be obtained by calling ASKO Customer Care at 1-800-898-1879. After your purchase and prior to first use of the ASKO Product, register your ASKO Product with ASKO by utilizing the address information below. Should you need further assistance as well, contact us at the address information below:

ASKO Distribution North America, LLC Customer Care Center PO Box 44848 MADISON WI 53744 1-800-898-1879 www.askona.com
